B.C.I. was founded in Roma in 1946 and in 1947 became member of ENCI (Ente Nazionale della Cinofilia Italiana who has control of the Stud Book for all the breeds) as the only authorized club to provide to the German Boxer in Italy.

Our headquarter is in via Bellingera n. 4 in Busto Arsizio (VA).

B.C.I. has about 2000 members/year, who take part to the several club shows, special shows, IGP trials, ZTP, Selezioni and Championship that the Club can organize, thanks to more than 30 local groups, located all over the Italian territory.
