3. WUBOX IFH International Championship 2023 – Biosca/Spain

Dear boxer friends!

I would like to warmly welcome you to the 3rd WUBOX IFH International Championship. It took a very long time to find an organizer for this tournament. Therefore, our special thanks to the Club Nacional Boxer España for taking over and organizing this important performance event. I am convinced that President **Rafael Hernández** and organizer **Michelle Csuk** are trying very hard to organize a worthy, great championship.

Of course, we also have to thank the mayor and the landowners around Biosca who make their fields available to us so that we can practice our sport at all. I think everyone will feel comfortable in Spain, we are looking forward to an exciting championship with teams from 5 nations, which will be held for the first time in the IGP-FH level. I would particularly like to welcome the two nominated judges, **Alfredo di Girolamo** from Italy and **Jean Joanquin** from France. I wish both judges a lot of fun at work and a good eye when judging.

As the person in charge, I keep my fingers crossed for all teams, wish the event a friendly, harmonious course and everyone a nice Boxer-weekend with like-minded people.

Liebe Boxerfreunde!

Ich möchte sie zur 3. WUBOX IFH Internationale Meisterschaft herzlich begrüßen. Es hat sehr lange gedauert, um einen Veranstalter für dieses Turnier zu finden. Deshalb unser besonderer Dank an den Club Nacional Boxer Espana für die Übernahme und Organisation dieser wichtigen Leistungsveranstaltung. Ich bin überzeugt das Präsident **Rafael Hernández** und Organisatorin **Michelle Csuk** sich sehr Bemühen um eine würdige, großartige Meisterschaft auszurichten.

Natürlich müssen wir uns auch beim Bürgermeister und den Grundeigentümern rund um Biosca bedanken, die uns ihre Felder zur Verfügung stellen, damit wir unseren Sport überhaupt ausüben können. Ich glaube alle werden sich in Spanien wohlfühlen, freuen wir uns auf eine spannende Meisterschaft mit Teams aus 5 Nationen, die zum ersten Mal in der Stufe IGP-FH ausgetragen wird.

Besonders begrüßen möchte ich die beiden nominierten Leistungsrichter **Alfredo di Girolamo** aus Italien und **Jean Joanquin** aus Frankreich. Ich wünsche beiden Richtern viel Spaß bei der Arbeit und ein gutes Auge bei der Bewertung.

Als Verantwortlicher drücke ich allen Teams die Daumen, wünsche der Veranstaltung einen freundschaftlichen, harmonischen Verlauf und allen ein schönes Boxer-Wochenende im Kreise von Gleichgesinnten.

Welcome by Josep Puig, Major of Biosca

Benvolguts participants! Benvolguts visitants!!

Benvinguts a BIOSCA, a la Catalunya Central. A Biosca hi ha moltes possibilitats en la naturalesa intacta per a moure's i gaudir d'ella. A més, a Biosca sempre hi ha novetats que gaudir, i en aquesta ocasió gaudirem d'un esdeveniment destacat especial: "El Campionat Internacional de Gossos de Rastreig de WUBOX per a Boxers Alemanys"

El rastre amb gossos ens porta a l'origen de la unió de gossos i humans, un vincle que ha perdurat al llarg dels segles. Aquesta simbiosi tan necessària per a la supervivència continua sent testimoni d'aquells temps a través d'aquest meravellós esport amb Boxers: el rastre. L'esdeveniment, organitzat pel Club Nacional del Bóxer Espanya amb el suport de l'Associació Canina Unió Cinòfila de Catalunya es realitza aquest any 2023 a Biosca, a Catalunya.

Aprofito aquesta oportunitat per a agrair als propietaris que hagin vingut a visitar Biosca. Vull donar les gràcies a l'associació i als seus membres, així com a tots els amos de gossos responsables, pel seu compromís i per l'esforç per promoure la relació entre gos i humà de la millor manera possible en el nostre municipi. Espero conèixer a molts amants de boxers entusiastes en un passeig per Biosca a mitjans novembre.

Josep Puig

Dear participants! Dear visitors!!

Welcome to BIOSCA, in Central Catalonia. In Biosca there are many possibilities in intact nature to move around and enjoy it. Furthermore, at Biosca there are always new things to enjoy, and on this occasion we will enjoy a special event: "The WUBOX International Tracking Dog Championship for German Boxers"

The tracking with dogs takes us to the origin of the union between dogs and humans, a bond that has endured throughout the centuries. This symbiosis so necessary for survival continues to bear witness to those tracking. The event, organized by the Club Nacional del Boxer España with the support of the Associació Canina Unió Cinòfila de Catalunya, will take place this year 2023 in Biosca, in Catalonia.

I take this opportunity to thank the dog owners who have come to visit Biosca. I want to thank the association and its members, as well as all responsible dog owners, for their commitment and effort to promote the relationship between dog and human in the best possible way in our municipality.

I hope to meet many enthusiastic boxer lovers on a walk through Biosca in mid-November.

Welcome by Rafa Hernandez Hernando, President of Club Nacional del Boxer España

Queridos amigos boxeristas,

Sean todos ustedes bienvenidos al Campeonato Internacional Wubox IFH 2023. Aunque en muchos países europeos es un momento positivo para la disciplina del trabajo con Boxer, la realidad es que en España se atraviesa una gran crisis. En este año 2023 solo hubo un participante español en una competición internacional de IGP, y no ha existido participación española de bóxer en la disciplina de IFH en ninguna competición internacional en el año 2023. El Club Nacional del Boxer al que represento, y con un año de vida desde su creación, pondrá todos los medios para llevar la disciplina de trabajo con Boxers en España a la altura de los países del entorno europeo. Es un reto que todos juntos lograremos. Deseo que este evento ayude a promocionar la disciplina de trabajo en España, y en unos años

podamos estar al nivel de otros países de nuestro entorno. Como sabéis, el bóxer es un perro competitivo, familiar, con mucha vitalidad, motivado y de carácter equilibrado, y con una gran funcionalidad para el deporte IGP e IFH. Los clubes de razas europeas tenemos la misión de proteger todas esas cualidades dictadas por el Standard del boxer. Participantes, vais a disfrutar de vuestro vínculo con vuestro compañero en los campos de Biosca, y os deseo a cada uno de vosotros lo mejores éxitos en la competición que hoy inicias. Deseo agradecer que hayas venido hasta Biosca para participar en la tercera edición del "Campeonato Internacional Wubox IFH", en este lugar tan maravilloso de la naturaleza Catalana. Deseo agradecer al municipio la hospitalidad, y en especial al alcalde Josep Puig Solis, mi más sincero agradecimiento Mi respeto personal y agradecimiento a todos los amantes del bóxer

Boxerista por siempre,

Rafa Hernandez Hernando

Presidente Club Nacional del Boxer.

Dear boxer friends,

Welcome to the IFH 2023 International Wubox Championship. Although in many European countries it is a positive moment for the discipline of working with Boxer, the reality is that in Spain we are going through a great crisis. In this year 2023 there was only one Spanish participant in an international IGP competition, and there has been no Spanish boxer participation in the IFH discipline in any international competition in the year 2023. The National Boxer Club that I represent, and with a year since its creation, it will do everything possible to bring the discipline of working with Boxers in Spain to the level of the European countries. It is a challenge that we will all achieve together.

I hope that this event helps to promote work discipline in Spain, and in a few years we can be at the level of other countries around us. As you know, the boxer is a competitive, family dog, with a lot of vitality, motivated and with a balanced character, and with great functionality for IGP and IFH sport. The European breed clubs have the mission of protecting all those qualities dictated by the Boxer Standard.

Participants, you are going to enjoy your bond with your partner in the Biosca fields, and I wish each of you the best success in the competition that you begin today. I would like to thank you for coming to Biosca to participate in the third edition of the "Wubox IFH International Championship", in this wonderful place in Catalan nature. I would like to thank the municipality for its hospitality, and especially the mayor Josep Puig Solis, my most sincere thanks. My personal respect and gratitude to all boxer lovers
